

To The Editors and all who get to read this letter:

House bill 529 needs to pass and must pass. The passing of HB:529 will be the beginning of the end to corruption within our judicial system, the destruction of families needs to stop. As I testified at the Aldermanic Chamber in Manchester NH about the Corruption on what the Courts do to men, here is the link→(http://www.nhcitcourts.org/public_participation/ls_calendar.php). Read the transcripts all of them.

Judge (NAME OMITTED) must be removed from the bench he is a prime example of all the corruption within our judicial system. Chief Justice Broderick commented at the Aldermanic Chamber meeting on the need of family Courts in NH, well I tell you if Judge (NAME OMITTED) is the head Judge of the family Court system we the people of the united states want no part of it and its CORRUPTION we the people want our CONSTITUTIONAL RIGHTS RESTORED and our CIVIL RIGHTS RESPECTED we have had enough.

WE THE PEOPLE ARE ASKING OUR STATE REPS AND OUR LEGISLATURE TO PASS NOT ONLY HOUSE BILL 529 BUT TO PASS HOUSE BILL 541 AS WELL AND GIVE THE GOOD PEOPLE OF THE UNITED STATES BACK THE CONSTITUTION AND WHAT IT STANDS FOR.

When the NH bar controls what cases the law school student will be permitted to practice on in a court of law, when the NH Courts turn from the truth and still punish the innocent, when the very same men who risk there lives to protect this country who are the very same Fathers, Dads through no fault of there own fall behind on child support because they are in battle or ill with cancer fighting for there lives are put in jail. It's time to put a stop to the CORRUPTION.

The Judicial system has no respect for the CONSTITUTION OF THE UNITED STATES not when they constantly violate it, the Courts DO NOT abide by the Court Rules, the Cannons, the RSA'S of NH they make the laws as they please and THAT IS NOT WHAT "WE THE PEOPLE SHED BLOOD FOR "what we shed BLOOD for was our CONSTITUTION OF THE UNITED STATES.

The reason we fought was because of the same thing "CORRUPTIOIN".

PASS HB: 529 AND HB: 541
