

Please see my responses below in RED.

1. What experience do you have with the state courts?

The only experience that I have found is that representing yourself without having to pay outrageous fees to an attorney is not easy. Simple child support review cost me \$2,500.

2. Where do you get information about the state courts?

Not sure but have used the legislature website.

3. How much do you know about how the state courts operate?

Only the fundamentals but not to the level of specifics.

4. Are you concerned about the expense of going to court?

YES

5. What different challenges are the state courts facing today?

Informing residents of the state.

6. What is the most positive thing you have heard about the state courts?

Looks like the lobbyists and opinions of many senators are preventing NH from being a true "live free or die" state.

7. What is the most negative thing you have heard about the state courts?

The actual time for change to occur.
